

BUCKAROO RODEO BIBLE CAMP 2022

MEDICAL TREATMENT AUTHORIZATION AND CONSENT FORM

The following form is designed for those situations where minors are unaccompanied by either parents or legal guardians. This "Medical Treatment Authorization and Consent Form" gives authority to a designated adult to arrange for medical care for a minor in the event of an emergency. This is extremely important, in that, medical care cannot be provided to a minor without approval by the parents or legal guardians, unless there is written consent authorizing an agent to give approval.
